Additional procedural notes:

The topic shall become binding once it is communicated to the student in writing. The thesis completion period shall begin the day following written notification. As soon as the Examination Board has made a decision regarding the application, written notification shall be sent by the Examination Office.

Additional notes for the choice of supervisors:

The topic is provided by a professor who supervises the thesis. By resolution of the Examination Board, this role can be delegated to other full-time lecturers who hold a permission for independent teaching, to visiting lecturers or to professionals with relevant experience of professional practice and training.
