

25 January 2024, 14:00-16:00

**Workshop Series „Writing a PhD in science“  
#3**

Ida-Maria Mäder (HU UB)

**From literature search to reference management**

The use of reference management software can support your writing process. In this workshop, some reference management systems will be presented in overview and demonstrated in detail using Endnote as an example.

**Workshop language:** English

**Venue:** Humboldt-Kabinett, Department of Computer Science, Rudower Chaussee 25, 12489 Berlin, 1st floor (between Haus 3+4)

The event is aimed at PhD students  
of the Faculty of Mathematics and Natural Sciences at HU Berlin,  
max. 30 participants.

**Please register by mail until 18 January:**
