

Invitation

25 November 2024, 16.00-19.00

WINS Circle Meeting

Venue: a:head area, Rudower Chaussee 24, 12489 Berlin

We are delighted to invite you to our annual WINS Circle Meeting in November for all former and current participants, especially from the mentoring program and summer schools.

This gathering gives us the opportunity to network, (re)connect and exchange experiences. We will have the pleasure of hearing inspiring keynote speeches from three of our alumnae, followed by lots of time for informal discussions over drinks and finger food.

Agenda

- Welcome
- **Dr. Carineh Ghafafian** (University of Southern California, Los Angeles):
Between worlds. Experiences in different scientific systems and scientific cultures
- **Dr. Victoria Henderson** (RAL Space, Didcot/ Oxfordshire):
Back to the UK: Experiences in transitioning from Germany to England
- **Dr. Shadi Bagherzadeh** (Charité, Berlin):
From Lab to City: Exploring Emotions within 'Your Emotional City'
- Get together

Kindly confirm your [attendance](#) by 22 November.

Information:

Dr. Petra Metz
Head of WINS Adlershof,
Humboldt-Universität zu Berlin,
Faculty of Mathematics and Natural Sciences
