For postdocs:

Your current research topic:

Where are you currently affiliated?

Institute/ Department:

Potential mentors

Whom would you like to become your mentor? If you already have an idea, please indicate one or two persons, e.g. long-standing active professors, and their corresponding institution. If not, we will try to find someone appropriate for you.

- 1.
- 2.
- 3.

Letter of motivation

What is your motivation for attending the WINS mentoring program? (max. 1500 characters)

What expectations do you have regarding your mentor? (e.g. professional expectations such as introduction to scientific networks, tips on career planning, support for research applications, teaching of working methods, support for strategies for improving the compatibility of work and private life) (max. 1000 characters)

What is your desired outcome for the year of mentoring? How do you envision the mentoring process? (max. 500 characters)

Is there a specific project that you would like to focus on during the mentoring?
In which subjects do you require support? (max. 1000 characters)

How did you hear about WINS Adlershof?

Do you have any suggestions for further events within the framework of mentoring?

Date, location

Signature
