

WiNS Mentoring

Information event: Everything worth knowing about mentoring

15 October 2019, 4.30-5.30 pm

Johann von Neumann-Haus, Rudower Chaussee 25, 12489 Berlin, Room 2.327

WiNS Adlershof offers female doctoral students and postdocs effective support to achieve leadership positions. We cordially invite you to our information event for the next round from January 2020. A current participant will talk about her experiences, you will receive all information about the application procedure and we are available for questions.

Benefits of our 1-to-1 mentoring:

- Advice and support by an experienced mentor for one year
- First-hand knowledge about different scientific career paths
- Feedback and informal knowledge concerning professionalization and fundings
- Suggestions for compatibility between family life and professional life

Duration: January – December 2020

Application deadline: 31st October 2019
